Kanpur, 208016 | 7607010648  
sidhantsinghrathoreprsnl@gmail.com

I am a third-year understudy seeking after B.Tech in Computer Science and engineering. I have a solid aptitude set in full stack web improvement, as well as capability in data structures and algorithms (DSA). I exceed expectations at problem-solving and debugging, and I am enthusiastic around building effective and versatile web applications. I am moreover a speedy learner and energetic to take on unused challenges in the tech industry.
